4. OBJECTIVES

- 4.1 The Association acts as the mouthpiece of its members and its affiliations in the Republic of South Africa so that they speak as one and that all matters that are in the interest of the wool sheep industry, which makes a contribution to the total economy of South Africa, can be attended to.
- 4.2 In order to succeed, the Association must have a substructure, which enables it to consult with its members as well as to pass commodity information through to grass roots level.
- 4.3 The Association accepts as its highest duty to protect, promote and extend the wool industry and in order to achieve this, has the following goals:
- a) to enhance development and extension of production technology for all wool sheep farmers to ensure that South African wool producers stay competitive in the world market.
 - b) to establish absolute confidence with the wool buyers in all countries where South African wool is offered for sale, by encouraging wool producers in South Africa to produce the right type of wool and to pack it in the most efficient, honest and attractive method;
 - c) to be of assistance in every possible way with regard to the marketing of the South African wool clip in the most effective and profitable manner;
 - d) to set standards from time to time in accordance with requirements for the packing and marking of wool and to apply the necessary means for the application thereof;
 - e) to create amenities for the training of wool classers and the registration of qualified wool classers in terms of the requirements as set out by the Association;

- f) to propagate and promote the registration of the Springbok Head to encourage producers to apply the registration number to wool bales;
- g) in conjunction with other wool producing countries, to create the means for the most beneficial marketing and promotion of South Africa's wool clip.
- h) to nominate members and representatives on all sub committees and organizations as decided by the Association from time to time;
- i) to affiliate to Agri SA and to co-operate with Agri SA according to conditions as determined from time to time;
- j) to provide support and to affiliate with other organizations whose objectives and dealings are beneficial to the goals of the Association;
- k) to arrange gatherings, congresses and functions which the Executive deems as beneficial to the above mentioned goals and to carry the costs thereof with the exception that the expenses of functions in a particular financial year do not exceed the budget of the Association;
- l) in general to promote a spirit of co-operation and support by encouraging wool producers to build the Association through joint actions;
- m) to nominate members on organizations or institutions according to the method determined in Section 10 of this Constitution;
- n) the Association has the right to nominate directors on co-operatives or companies in which it has shares;
- o) to obtain or to alienate assets, including shares in co-operatives of companies, in order to achieve the above mentioned goals;
- p) to support and follow the guidelines of the Code of Best Practice.
